

# COMMUNITY SUPPORT TEAM

We offer intense clinical care from a team approach to assist adult individuals in all areas of functioning so that they can reduce crisis episodes, obtain stable housing, connect with school or vocational opportunities, be more independent, improve social skills, and learn coping skills to manage their mental health and substance abuse symptoms. This support is provided for individuals who have needs that require more than our least restrictive counseling services. These individuals will also have one of the following difficulties:

## EMPOWERMENT QUALITY CARE SERVICES

HELPING FAMILIES REBUILD ONE PIECE AT A TIME

# EQCS
